

Neighbourhood Planning

Dear Resident,

Information from the Parish Council regarding the development of a Neighbourhood Plan.

The Parish Council is currently working on the development of a Neighbourhood Plan. The Council has set up a committee to work on this and has had agreement from Buckinghamshire Council that Ludgershall Parish is designated as a Neighbourhood Area. We will be working closely with the Buckinghamshire Council Neighbourhood planning team for advice and support. More information can be found here:

<https://www.buckinghamshire.gov.uk/planning-and-building-control/planning-policy/neighbourhood-planning/the-plans/>

The purpose of neighbourhood planning is to give communities a way to shape the future of their local area by setting a shared vision for development and growth, deciding where new homes, shops, and offices should go, and defining what they should look like. These plans are community-led and help guide the development of a neighbourhood over the next 15-20 years, while still needing to align with the strategic policies of the wider local authority. They can also be used to protect local green spaces and identify areas for improvement or new facilities.

The Parish Council is keen to involve the community in the process which includes community-led visioning, gathering evidence, writing policies, independent examination, and finally, a local referendum (vote) to make it official. If you can offer practical help and support with this development, please let the Parish Council or the Neighbourhood planning group know. The aim of this survey is to give everyone a chance to contribute to the future vision for the village.

Please help us by completing this survey. It is open to all residents over the age of 18. You can complete the survey online using the QR code below, by email or on paper. Additional copies are available to download on the website. Paper copies can be returned to the Parish Clerk by mail or placed in a sealed envelope in the Village Hall letter box. You can also use the electronic form on the PC website and email it to the clerk at ludgershallpc@gmail.com.

The areas to be covered in the Neighbourhood Plan are:

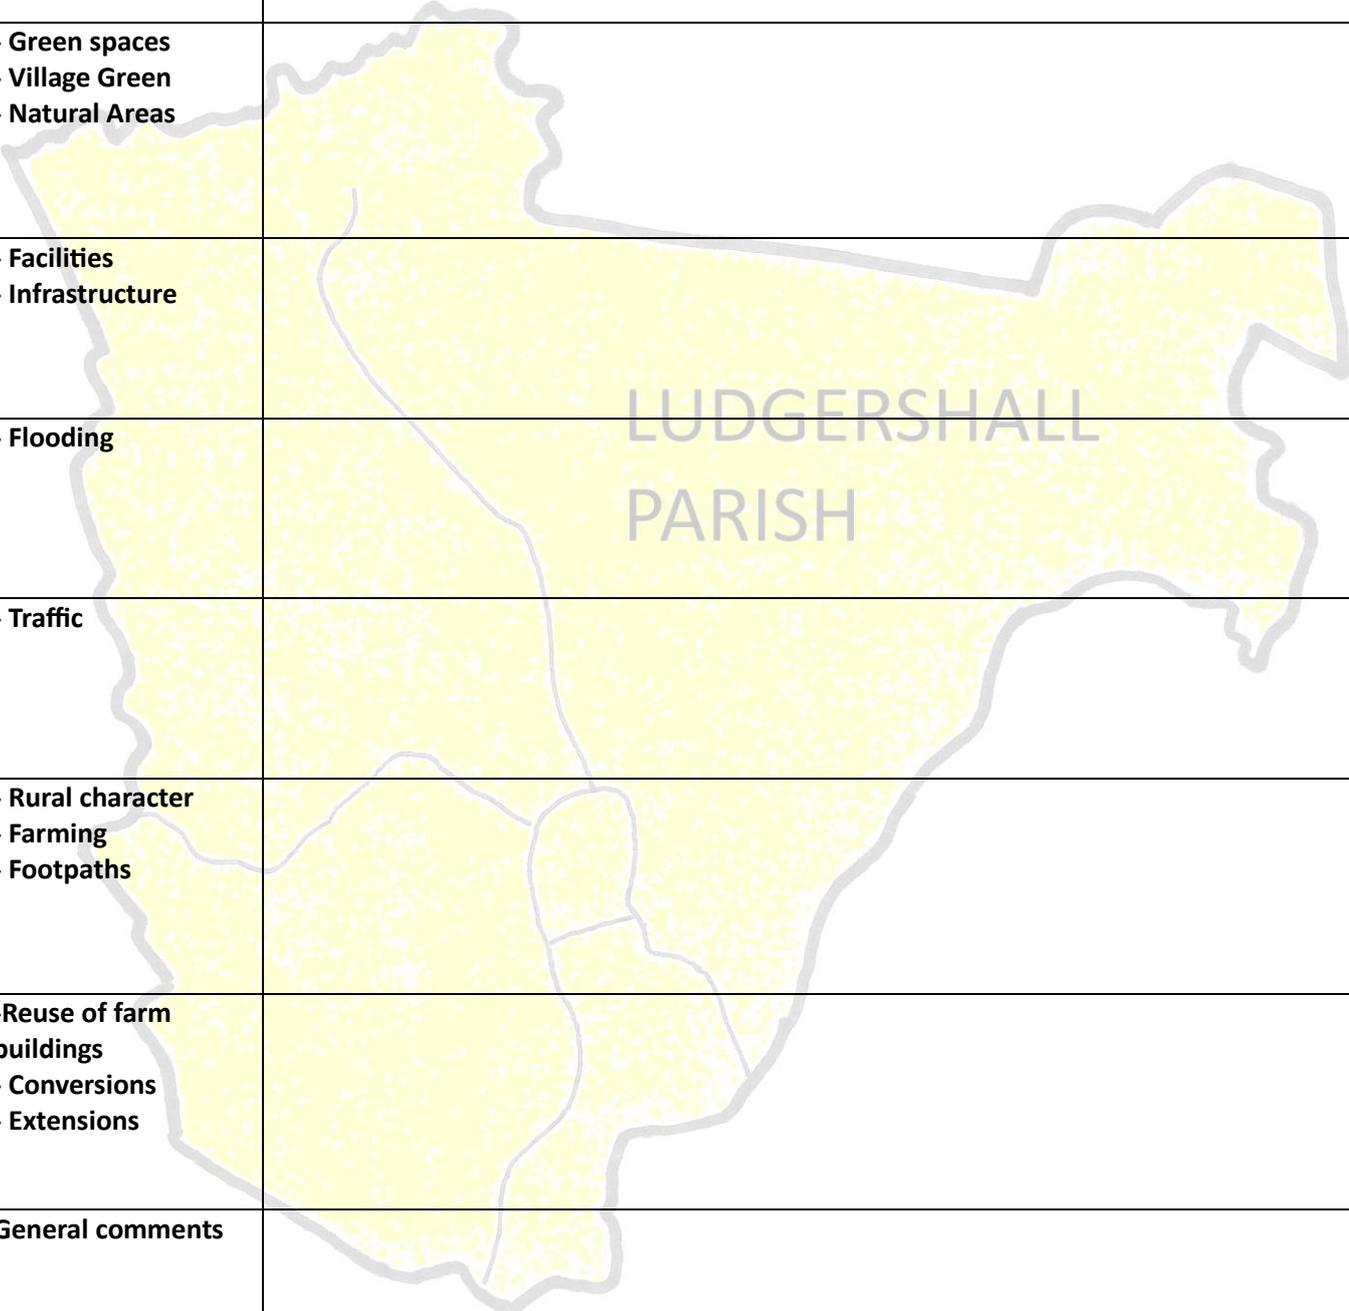

Amount and siting of any new housing	Rural character
Housing design and appearance	Traffic
Conservation Area	Farming
Heritage	Infrastructure
Listed Buildings	Reuse of farm buildings
Green Spaces	Conversions and extensions
Village Green	Footpaths
Natural Areas	Vistas
Facilities	Settlement boundaries
Flooding	

Scan me
to complete the
survey online

In the attached survey we would welcome your views on some or all of the areas that will form the finished plan.

You must put your name and address at the bottom of the form. We cannot accept anonymous comments
